

# STAYPUT® FASTENERS

A U S T R A L I A

## SHOCK CORD LOOPS

### DETAILS

**Loop Lengths:** 70, 80, 90, 100 & 110mm

**Colours:** Black & White (Beige & Light Grey bodies available)

### BENEFITS

- **Simple to install without the need for any special tools in varying thicknesses of fabric**
- A large 22mm diameter backing plug and only needing a 6 mm hole for installation means a greater contact area with the fabric virtually eliminating the risk of tearing out and damaging the fabric
- **Brass machine pressed crimps on the cord will not rust or pull off**
- Can be removed & re-fitted without damage to the fabric
